

Smart Vending Solutions

Effortless access. Anytime. Anywhere.

Smart vending solutions make it easier to access food, beverages, and everyday essentials at the workplace. Available anytime, they reduce waiting and, with digital ordering, help save time while offering greater choice and control.

Why Smart Vending Works at Work

- ✓ Anytime – Instant – Convenient
- ✓ App based remote ordering
- ✓ Queue buster at cafeteria
- ✓ Reverse QR check to avoid pilferage
- ✓ Saves time and increases productivity
- ✓ Improved efficiency – smaller inventory, longer shelf life and reduced labour
- ✓ Customised consumer choices

Flexible Vending Across Categories

To support everyday convenience at work, our vending solutions are built to accommodate multiple product categories within a single system.
